

WELCOME TO D.O.C WINE BAR

Established in 1963 and implemented in 1966, the Denominazione di Origine Controllata (DOC) ("Controlled Denomination of Origin") is Italy's equivalent to France's Appellation D'origine Controlee. DOC's are defined by the geographic area of production for each wine, the varieties that can be used, the minimum alcohol content, the maximum yield, and the specifications for aging.

Welcome to D.O.C. Wine Bar. We are excited to serve you as your neighborhood wine bar and bistro. We believe that wine is the "nectar of the gods" and should be enjoyed by all, novices and connoisseurs alike.

While we take what we do seriously, first and foremost, we believe drinking wine should be fun. It is our goal to offer a large variety of wines spanning the globe without any of the factors that may cause intimidation and hinder your enjoyment.

We hope you enjoy your visit and come back again soon. Cheers!
